MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 5 to Contract No.
FS-99 with Hycon Mfg. Company, Pasadena, California,
Project [REDACTED]

25X1A2d1

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 6.

2. Contract FS-99 and Amendments 1, 2, 3 and 4 thereto covers training of basic field service teams to service and maintain photographic equipment being procured under Contract No. SC-21-54 with the Perkin-Elmer Corporation under which the Hycon Mfg. Company is a subcontractor.

3. Amendment No. 5 establishes a redetermined price of \$385,476.87 which the Contracting Officer feels is fair and reasonable for work performed from the contract's inception (18 June 1955) through 30 June 1957. Details concerning this settlement are in the attached Memorandum for the Record.

4. Amendment No. 5 requires no additional funds. The present consideration in the contract is \$458,147.00, of 1955, 1956, and 1957 Fiscal Year AQUATONE Funds. It is recommended that no adjustment in funds be made at this time since additional services were rendered from 1 July 1957 to 30 November 1957 on which a fixed price remains to be negotiated and set forth by an amendment to this contract.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
